Mr. Philip Emig

Dear Sir -

I am writing you in regards
to your son Ernest. He came
here october 1st 1928 and I have
had him employed since.

He does not want his people
to know where he is at, so he
said, but I thought I would let
you know if he has given me
the right address. He is in
good health & working on the farm
every day and is going to leave
here March 1st 29. So he said.

I dont know where to, I wish
you would answer this letter so
that I will know you got it.

Yours Truly

address - J. L. Harris Jonesville.
